

Review procedure

Researchers including PhD- and master-students that want to participate at the conference with a poster in the poster session must submit an abstract.

The abstract, single spaced and in English, should include:

- Full title of the work
- Full name and address of one author for all correspondence
- For each author and co-authors, full name, affiliation, address, phone and email
- Purpose of the work
- Approach
- Scientific innovation and relevance
- Results
- Conclusions

The abstract should be a half page and maximum one full page.

Master-students can apply to join for free.

Submission of abstracts to Fatima AlZahra'a Alatraktchi, faa@energinet.dk

Deadline for receipt of abstracts: At the latest by 1 February 2012.

All authors will be notified of the decision of the Programme Committee by the end of February 2012.
