

Review procedure

Speakers wishing to give an oral presentation at the conference must submit an abstract.

The abstract, single spaced and in English, should include:

- Applicable track and session (see Programme)
- Full title
- Full name and address of one author for all correspondence
- For each author and co-authors, full name, affiliation, address, phone and e-mail
- Purpose of the work
- Approach
- Scientific innovation and relevance
- Results
- Conclusions

The abstract should be a half page and maximum one full page plus 1 to 3 explanatory pages, which will facilitate the reviewers' assessment.

Submission of abstracts to Steen Vestervang, stv@energinet.dk

Deadline for receipt of abstracts: At the latest by 1 February 2012.

All authors will be notified of the decision of the Programme Committee by the end of February 2012.
